PROXY STATEMENT

SOLICITATION AND REVOCABILITY OF PROXIES

The trustee of the Trust, Bank of America, N.A. through its U.S. Trust, Bank of America Private Wealth Management division (the "Trustee"), requests your proxy for use at the Special Meeting of unit holders of the Trust ("Unit Holders") to be held on Friday, May 23, 2014, at 1:00 p.m., local time, at Shady Oaks Country Club, 320 Roaring Springs Road, Fort Worth, Texas 76114, and at any adjournment or postponement thereof. By signing and returning the enclosed Proxy you authorize the persons named on the Proxy to represent you and to vote your Units at the Special Meeting. This Proxy Statement and the form of Proxy were first mailed to Unit Holders of the Trust on or about March 28, 2014.

This solicitation of proxies is made by the Trustee of the Trust. In addition, the Trust has engaged AST Phoenix Advisors (the "Proxy Solicitor") to assist in the solicitation of Proxies for the Special Meeting, and it estimates that it will pay the Proxy Solicitor approximately \$185,000, including the fee of the Proxy Solicitor plus certain costs and expenses. The Trust has also agreed to indemnify the Proxy Solicitor against certain losses arising out of its services. Representatives of the Trustee may solicit proxies personally or by telephone, telegram or other forms of wire or facsimile communication. The Trust may also request banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of Units that those companies hold of record. The Trustee will pay the costs of the solicitation, including reimbursement of forwarding expenses and fees and expenses of the Proxy Solicitor; however, Southwest Bank has agreed to reimburse the Trustee for 60% of the costs and expenses of the proxy solicitation in connection with the Special Meeting and meetings (or solicitation of written consents in lieu thereof) of unit holders of the six other trusts for whom Bank of America will resign as trustee not to exceed an aggregate of \$360,000 for all seven trusts.

If you attend the Special Meeting, you may vote in person. If you are not present at the Special Meeting, your Units can be voted only if you have returned a properly signed Proxy or are represented by another proxy. You may revoke your proxy at any time before it is exercised at the Special Meeting by (a) signing and submitting a later-dated proxy to the Trustee, (b) delivering written notice of revocation of the proxy to the Trustee, or (c) voting in person at the Special Meeting. In the absence of any such revocation, Units represented by the persons named on the Proxies will be voted at the Special Meeting.

VOTING AND QUORUM

The only outstanding voting securities of the Trust are the Units. As of the close of business on the Record Date, there were 46,608,796 Units outstanding and entitled to be voted at the Special Meeting.

Each outstanding Unit is entitled to one vote. The presence, in person or by proxy, of Unit Holders who, on the Record Date, held Units representing a majority of the Units outstanding as of the Record Date will constitute a quorum at the Special Meeting. The Trustee, upon approval by the holders of a majority of the Units who are present or represented by proxy at the Special Meeting, will have the power to adjourn the Special Meeting from time to time without notice, other than an announcement at the Special Meeting of the time and place of the holding of the adjourned meeting, until a quorum is present. At any such adjourned meeting at which a quorum is present, any business may be transacted that may have been transacted at the Special Meeting had a quorum originally been present. If the adjournment is for more than 30 days or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting will be given to each Unit Holder of record entitled to vote at the adjourned meeting. Proxies solicited by this Proxy Statement may be used to vote in favor of any motion to adjourn the Special Meeting, even if a quorum is not present. If a motion to adjourn the meeting is approved but sufficient proxies are not received by the time set for the resumption of the Special Meeting, this process may be repeated until sufficient proxies to vote in favor of the proposals described in this Proxy Statement have been received or it appears that sufficient proxies will not be received. Abstentions and broker non-votes will count in determining if a quorum is present at the Special Meeting. A broker non-vote occurs if a broker or other nominee attending the meeting in person or submitting a proxy does not have discretionary authority to vote on a particular item and has not received voting instructions with respect to that item.

PROPOSAL ONE — APPOINTMENT OF SUCCESSOR TRUSTEE

On January 9, 2014, the Trustee submitted a notice of its resignation as trustee of the Trust to the Unit Holders. The Trustee's notice of resignation stated that it would nominate Southwest Bank, an independent state bank chartered under the laws of the State of Texas and headquartered in Fort Worth, Texas ("Southwest Bank") as its potential successor and call a special meeting of Unit Holders for the purpose of appointing Southwest Bank as a successor. Prior to nominating Southwest Bank, the Trustee formed a committee to solicit, investigate and choose a nominee. The committee distributed requests for proposal and held discussions with a number of potential candidates.

If the Unit Holders appoint Southwest Bank as successor trustee at the Special Meeting, the Trustee's resignation will take effect on May 30, 2014, assuming the satisfaction or waiver of the following conditions:

- The appointment of Southwest Bank as trustee of the Sabine Royalty Trust (another royalty trust for which Bank of America, N.A. currently serves as trustee);
- The appointment of Southwest Bank or another successor trustee as trustee of five other royalty trusts for which Bank of America, N.A. currently serves as trustee and as agent under a disbursing arrangement for which Bank of America, N.A. currently serves as agent;
- The accuracy of certain representations and warranties and performance of certain agreements made by Southwest Bank in an agreement between Bank of America, N.A. and Southwest Bank; and
- No governmental injunction, order or other action that would prohibit Southwest Bank's appointment, the Trustee's resignation or the other actions described above.

If the conditions described above have not been satisfied or waived by the Trustee as of May 30, 2014, the resignation shall be effective August 29, 2014, assuming all of the conditions described above have been satisfied or waived by the Trustee as of such date. If the resignation is not effective as of such later effective date, the Trustee will notify Unit Holders of the new effective date.

Required Vote

The appointment of Southwest Bank as the successor trustee requires the affirmative vote of Unit Holders who, as of the Record Date, held Units representing a majority in interest of the Units represented in person or by proxy at the Special Meeting. Accordingly, abstentions and broker non-votes in the appointment of the successor trustee will have the effect of votes against Southwest Bank as successor trustee. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal One, your Proxy will be deemed to grant such authority and will be voted FOR the appointment of Southwest Bank as successor trustee.

The Trustee recommends the Unit Holders vote "FOR" the appointment of Southwest Bank as successor trustee.

PROPOSAL TWO — AMENDMENTS TO THE INDENTURE REGARDING MINISTERIAL ITEMS

Background, Reasons for and Effect of the Proposed Amendments

The Indenture that created the trust was entered into on November 3, 1980. The following amendments are intended to update the Indenture to ensure accurate cross-references to current legal authority. The following amendments are reflected in the "black-line" version of the Indenture attached hereto as Appendix A. (The "black-line" version of the Indenture underlines new text that is inserted and strikes through all text that is deleted as a result of the amendments to the Indenture described in this Proxy Statement.)

1. *Texas Trust Code.* The Texas Trust Act, which governs certain aspects of the Indenture, has been re-codified and is now referred to as the "Texas Trust Code." The following references in the Indenture to the Texas Trust Act will be revised as follows to refer to the Texas Trust Code.

A. Article I, Definitions. Definition of Beneficial Interest: change "Texas Trust Act" to "Texas Trust Code." The revised definition of "Beneficial Interest" will read as follows:

“Beneficial Interest” means the equitable interest of the Unit Holders in the Trust Estate as expressly set out in this Trust Indenture and all other rights of beneficiaries of express trusts created under the Texas Trust Code, subject to the limitations set forth in this Trust Indenture.

B. Article I, Definitions. Definition of Trust: change “Texas Trust Act” to “Texas Trust Code.” The revised definition of “Trust” will read as follows:

“Trust” means the express trust created hereby which shall be held and administered as provided herein and in accordance with the terms and provisions (not inconsistent with any terms and provisions hereof) of the Texas Trust Code.

C. Section 2.02, first full paragraph following (b): change “Section 2 of the Texas Trust Act” to “Section 111.004(4) of the Texas Trust Code.”

D. Section 3.04, first full paragraph following (d): change “Section 11 of the Texas Trust Act” to “Section 113.057 of the Texas Trust Code,” so that the last sentence of Section 3.04 will read as follows:

“To the extent not prohibited by to Section 113.057 of the Texas Trust Code any such cash may be placed with Bank or any successor bank serving as Trustee.”

E. Section 3.16 (Miscellaneous)” change “provisions of the Texas Trust Act” to “provisions of the Texas Trust Code.”

2. *Internal Revenue Code*, Article I, Definitions. Definition of “Code”: the Internal Revenue Code was revised in 1986. Accordingly, in the definition of “Code,” the year “1954” will be changed to “1986.”

3. *Transfer of Units*. The Texas Uniform Act for Simplification of Fiduciary Security Transfers under Chapter 33 of the Texas Business and Commerce Code (the “Texas Uniform Act”) governs certain aspects of the Indenture. Chapter 33 of the Texas Business and Commerce Code has been repealed. Accordingly, the references in Section 4.04 and 4.06 of the Indenture to the Texas Uniform Act will be deleted.

The effect of the above amendments would be to eliminate outdated references and modernize the Indenture.

Southwest Bank’s willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of these amendments.

Required Vote

The amendments to the Indenture in this Proposal Two require the affirmative vote of Unit Holders who as of the Record Date held Units representing a majority in interest of the Units represented in person or proxy at the Special Meeting. Accordingly, abstentions and broker non-votes in the adoption of these amendments to the Indenture will have the effect of a vote against such amendments. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Two, your Proxy will be deemed to grant such authority and will be voted FOR such amendments.

The Trustee recommends the Unit Holders vote “FOR” these amendments to the Indenture.

PROPOSAL THREE — AMENDMENTS TO THE INDENTURE REGARDING EXPERT ADVICE UPON TERMINATION

Background, Reasons for and Effect of the Proposed Amendments

Disposition and Distribution of Properties. Section 9.03 of the Indenture, entitled “Disposition and Distribution of Properties,” addresses certain procedures related to the liquidating and winding up of the affairs of the Trust at its termination. This section will be revised to clarify that the trustee may engage experts to assist it in the winding up of the Trust’s affairs. In addition, the amendment will provide that the trustee is entitled to rely on such experts’ advice and to be reimbursed for such experts’ fees and expenses. This section will be revised by inserting the following sentence immediately following the second sentence in Section 9.03.

“The Trustee may engage the services of one or more investment advisors or other parties deemed by the Trustee to be qualified as experts on such matters to assist with such sales and shall be entitled to rely on the advice of such persons as contemplated by Section 11.02.”

In addition, the list of professional and expert persons in Section 11.02 with whom the trustee may contract for services will be expanded by inserting “, investment advisors” in such list.

The effect of the proposed amendments would be to permit the trustee to engage and rely on investment advisors or other experts to assist it with the sale of Trust properties upon a liquidation of the Trust.

Southwest Bank’s willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of these amendments.

Required Vote

The amendments to the Indenture in this Proposal Three require the affirmative vote of Unit Holders who as of the Record Date held Units representing a majority in interest of the Units represented in person or proxy at the Special Meeting. Accordingly, abstentions and broker non-votes in the adoption of these amendments to the Indenture will have the effect of a vote against such amendments. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Three, your Proxy will be deemed to grant such authority and will be voted FOR such amendments.

The Trustee recommends the Unit Holders vote “FOR” these amendments to the Indenture.

**PROPOSAL FOUR — AMENDMENTS TO THE INDENTURE
REGARDING A DIRECT REGISTRATION SYSTEM**

Background, Reasons for and Effect of the Proposed Amendments

The Units are currently listed securities on the New York Stock Exchange (“NYSE”). Pursuant to New York Stock Exchange Listed Company Manual Section 500.00, all securities listed on the NYSE must be eligible for a direct registration system (“DRS”). While the Trust is technically eligible for DRS, it cannot participate in the system because the Indenture requires that ownership of Units be evidenced by certificates. Proposal Four, if approved, will amend the Indenture to allow for uncertificated Units, which would permit the Trust to participate in the DRS.

A DRS allows companies to issue units or shares in uncertificated (or book-entry) form rather than requiring actual paper certificates. These book-entry units or shares can then be transferred electronically between brokers and transfer agents, removing the need for printing, handling and delivering paper certificates. A DRS also provides greater security both to holders of units or shares, who avoid the risk of lost or stolen certificates and the associated replacement fees, and to issuers, who eliminate the risk of cancelled certificates being fraudulently presented as valid. Because of these and other benefits, the securities industry encourages companies to participate in a DRS. Most companies listed on the NYSE were able to begin participating in a DRS after the NYSE added DRS eligibility to its listing standards in 2008 through actions of their board of directors. In contrast, because the Indenture requires physical certificates to represent the Units and does not authorize the Trustee to alter that requirement, Unit Holder action is necessary to amend the Indenture to allow the Trust to participate in a DRS. The amendment to allow uncertificated Units is reflected primarily in Article IV of the “black-line” version of the Indenture attached hereto as Appendix A.

If Proposal Four is approved by the Unit Holders, Articles I, IV, V, VII, and VIII of the Indenture will be revised to read as set forth in Appendix A.

The effect of the proposed amendments would be to permit Trust Units to be uncertificated and permit the Trust to participate in a DRS.

Southwest Bank’s willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of these amendments.

Required Vote

The amendments to the Indenture in this Proposal Four require the affirmative vote of Unit Holders who as of the Record Date held Units representing a majority in interest of the Units represented in person or

proxy at the Special Meeting. Accordingly, abstentions and broker non-votes in the adoption of these amendments to the Indenture will have the effect of a vote against such amendments. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Four, your Proxy will be deemed to grant such authority and will be voted FOR such amendments.

The Trustee recommends the Unit Holders vote “FOR” these amendments to the Indenture.

PROPOSAL FIVE — AMENDMENTS TO THE INDENTURE REGARDING ASSET SALES

Background, Reasons for and Effect of the Proposed Amendments

The Indenture provides that the trustee may not sell any of the Trust assets without the approval of Unit Holders holding 75% of all Units then outstanding at a meeting held in accordance with Article VIII of the Indenture. Occasionally opportunities present whereby a better return on properties, or a significant savings in operating costs could be obtained if the trustee sold or conveyed such properties. The Trustee now proposes to seek authorization for certain small sales if the trustee deems them to be in the best interests of the Unit Holders. In order to facilitate any sale of the royalties that the trustee determines to be in the best interest of the Unit Holders, without incurring the expense of holding a special meeting of the Unit Holders to approve such sale, Proposal Five amends the Indenture to permit the trustee to sell up to one percent (1%) of the value (based on year end engineering reports) of the royalties in any twelve month period. This amendment regarding asset sales is reflected in Section 3.02 of the “black-line” version of the Indenture attached hereto as Appendix A.

If Proposal Five is approved by the Unit Holders, the current Section 3.02 will become 3.02(a) and a new Section 3.02(b) will be inserted into the Indenture following 3.02(a) of the Indenture and will read as follows:

“3.02. Limited Power to Dispose of Royalties.

(a) In the event the Trustee determines it to be in the best interest of the Unit Holders the Trustee may sell at any time and from time to time all or any part of any of the Royalties for cash in such a manner as it deems in the best interest of the Unit Holders if approved by the Unit Holders present or represented at a meeting held in accordance with the requirements of Article VIII but without such approval it may not sell or otherwise dispose of all or any part of the Royalties. This Section 3.02 shall not be construed to require approval of the Unit Holders for any sale or other disposition of all or any part of the Royalties pursuant to Sections 3.02(b), 3.09 or 9.03. The Trustee is authorized to retain any of the Royalties in the form in which such property was transferred to the Trustee without regard to any requirement to diversify investments or other requirements.

(b) Notwithstanding anything to the contrary contained in this Indenture, during any twelve-month period the Trustee may without a vote of the Unit Holders sell, assign, transfer and convey up to one percent (1%) of the value of the Royalties in any one or more transactions that the Trustee determines to be in the best interest of the Unit Holders. For purposes of this Section 3.02(b), the value of the Royalties to be sold and of all the Royalties shall be the discounted present value of the future net revenue attributable to the proved reserves attributable to such Royalties, as set forth in a reserve report as of December 31 of the year preceding the date of the definitive sale agreement for any sale (such report to be prepared by independent petroleum engineers selected by Trustee). The use of such values is solely for the purpose of determining compliance with this Section 3.02(b), and it is recognized that the proceeds of the sale may be greater or lesser than the value so determined.”

In addition, if Proposal Five is approved by the Unit Holders, Section 8.03 of the Indenture, which addresses Unit Holder voting, will be revised accordingly to provide that sales pursuant to the above-discussed Section 3.02(b) will not require Unit Holder approval. This will be accomplished by inserting the following at the end of Section 8.03:

“Notwithstanding the foregoing, nothing contained in this Section 8.03 shall be deemed to require Unit Holder approval of any sale pursuant to Section 3.02(b).”

The effect of the proposed amendments would be to permit the trustee to sell small amounts of the Trust's assets, without Unit Holder approval, if the trustee deems it in the best interest of the Unit Holders.

Southwest Bank's willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of these amendments.

Required Vote

The amendments to the Indenture in this Proposal Five require the affirmative vote of Unit Holders who as of the Record Date held Units representing at least 75 percent of the Units outstanding as of the Record Date. Accordingly, abstentions and broker non-votes in the adoption of these amendments to the Indenture will have the effect of a vote against such amendments. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Five, your Proxy will be deemed to grant such authority and will be voted FOR such amendments.

The Trustee recommends the Unit Holders vote "FOR" these amendments to the Indenture.

PROPOSAL SIX — AMENDMENT TO THE INDENTURE REGARDING ELECTRONIC VOTING

Background, Reasons for and Effect of the Proposed Amendment

Section 8.03 of the Indenture provides that Unit Holders may vote in person, or by duly executed written proxy. In order to expand the permissible means by which Unit Holders may vote in the future to take advantage of technological advances and to offer Unit Holders a variety of voting methods, Proposal Six would amend the Indenture to explicitly provide for telephone and internet voting. The amendment regarding electronic voting is reflected in Section 8.03 of the "black-line" version of the Indenture attached hereto as Appendix A.

If Proposal Six is approved by the Unit Holders, Section 8.03 of the Indenture will be revised to read as follows (proposed changes specific to this Proposal Six are underlined for ease of reference):

"Section 8.03. Voting. Each Unit Holder shall be entitled to one vote for each Unit owned by such Unit Holder, and any Unit Holder may vote in person or by duly executed written proxy. A telegram, telex, cablegram, email, or other form of electronic transmission, including telephone transmission, by the Unit Holder or a photographic, photostatic, facsimile or similar reproduction of a writing executed by the Unit Holder shall be treated as an execution in writing for purposes of this Section 8.03. Any electronic transmission must contain or be accompanied by information from which it can be determined that the transmission was authorized by the Record Date Unit Holder. At any such meeting the presence in person or by proxy of Unit Holders holding a majority of the Units at the time outstanding shall constitute a quorum, and, except as otherwise specifically provided herein, any matter shall be deemed to have been approved by the Unit Holders if it is approved by the vote of a majority in interest of such Unit Holders constituting a quorum, although . . ."

The effect of the proposed amendment would be to permit Unit Holders to vote by telephonic or electronic means at a meeting of Trust Unit Holders.

Southwest Bank's willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of this amendment.

Required Vote

The amendment to the Indenture in this Proposal Six requires the affirmative vote of Unit Holders who as of the Record Date held Units representing at least 75 percent of the Units outstanding as of the Record Date. Accordingly, abstentions and broker non-votes in the adoption of this amendment to the Indenture will have the effect of a vote against such amendment. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Six, your Proxy will be deemed to grant such authority and will be voted FOR such amendment.

The Trustee recommends the Unit Holders vote “FOR” this amendment to the Indenture.

**PROPOSAL SEVEN — AMENDMENT TO THE INDENTURE
REGARDING INVESTMENTS**

Background, Reasons for and Effect of the Proposed Amendment

Section 3.04 of the Indenture is entitled “Interest on Cash on Hand” and establishes the permitted investments of cash on hand held by the trustee. In order to provide the trustee with an efficient means of investing funds received, to reduce the risk that funds go uninvested, and in keeping with current industry practice, Proposal Seven would amend the Indenture to allow such cash to be deposited in accounts fully insured by the Federal Deposit Insurance Corporation. The amendment regarding investments is reflected in Section 3.04(d) of the “black-line” version of the Indenture attached hereto as Appendix A.

If Proposal Seven is approved by the Unit Holders, Section 3.04 of the Indenture will be revised by adding Section 3.04(d), and will read as follows:

“(d) other interest bearing accounts in FDIC-insured state or national banks, including the Trustee, so long as the entire amount in such accounts is at all times fully insured by the Federal Deposit Insurance Corporation;”

The effect of the proposed amendment would be to permit the trustee to use an insured cash sweep service to invest cash on hand in accounts with multiple FDIC-insured institutions such that the funds held by the trustee for the account of the Trust are deposited into interest bearing accounts which are at all times fully insured by the Federal Deposit Insurance Corporation.

Southwest Bank’s willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of this amendment.

Required Vote

The amendment to the Indenture in this Proposal Seven requires the affirmative vote of Unit Holders who as of the Record Date held Units representing a majority in interest of the Units represented in person or proxy at the Special Meeting. Accordingly, abstentions and broker non-votes in the adoption of this amendment to the Indenture will have the effect of a vote against such amendment. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Seven, your Proxy will be deemed to grant such authority and will be voted FOR such amendment.

The Trustee recommends the Unit Holders vote “FOR” this amendment to the Indenture.

**PROPOSAL EIGHT — APPROVAL OF ANY ADJOURNMENT OF THE SPECIAL
MEETING, IF NECESSARY OR APPROPRIATE, TO PERMIT SOLICITATION OF
ADDITIONAL PROXIES IN FAVOR OF PROPOSALS ONE THROUGH SEVEN**

The Trustee seeks your approval to adjourn the Special Meeting, if necessary or appropriate, to permit the solicitation of additional proxies in favor of Proposals One through Seven. If it is necessary or appropriate to adjourn the Special Meeting, and the adjournment is for a period of less than 30 days, no notice of the time or place of the reconvened meeting will be given to Unit Holders, other than an announcement made at the Special Meeting.

Required Vote

The proposal to adjourn the Special Meeting, if necessary or appropriate, to permit the solicitation of additional proxies in favor of Proposals One through Seven in this Proposal Eight requires the affirmative vote of Unit Holders who, as of the Record Date, held Units representing a majority of the Units represented in person or by proxy at the Special Meeting. Accordingly, abstentions and broker non-votes in the proposal to adjourn the Special Meeting will have the effect of votes against such adjournment. If the enclosed Proxy is returned and you have indicated how you wish to vote, the Proxy will be voted in accordance with your instructions. Should the enclosed Proxy be returned without instructions on how you wish to vote on this Proposal Eight, your Proxy will be deemed to grant such authority and will be voted FOR the proposal to adjourn the Special Meeting, if necessary or appropriate, to permit the solicitation of additional proxies in favor of Proposals One through Seven.

The Trustee recommends the Unit Holders vote “FOR” the adjournment of the Special Meeting, if necessary or appropriate, to permit the solicitation of additional proxies in favor of Proposals One through Seven.

EFFECT OF NEGATIVE VOTES ON PROPOSAL ONE

The notice of resignation of the Trustee stated that the Trustee’s resignation would be conditional on the appointment of Southwest Bank or another successor trustee as successor trustee. If the Unit Holders appoint Southwest Bank as successor trustee at the Special Meeting, the Trustee’s resignation will be effective May 30, 2014 (assuming the other conditions described herein are satisfied). If the conditions described above have not been satisfied or waived by the Trustee as of May 30, 2014, the resignation shall be effective August 29, 2014, assuming all of the conditions described above have been satisfied or waived by the Trustee as of such date. If the Unit Holders fail to appoint Southwest Bank as successor trustee at the Special Meeting, the Trustee may elect to give written notice of its resignation to each Unit Holder, which resignation would not be contingent upon the appointment of Southwest Bank or another successor trustee. If the Trustee resigns and no successor trustee is appointed within the 60 days following the effective date of the Trustee’s resignation, then a successor trustee may be appointed by any State or Federal District Court holding terms in Tarrant County, Texas, upon the application of any Unit Holder. If a Unit Holder files such an application, the court may appoint a temporary trustee at any time after such application is filed and the temporary trustee shall, pending the final appointment of a successor trustee, have such powers and duties as the court appointing such temporary trustee shall provide in its order of appointment, consistent with the provisions of the Indenture.

EFFECT OF NEGATIVE VOTES ON PROPOSALS TWO THROUGH SEVEN

If the Unit Holders fail to approve any of the amendments to the Indenture under Proposals Two through Seven the amendments to the Indenture that are not approved will not take effect and will not be included in the Trust’s Amended and Restated Royalty Indenture; however, amendments that are approved will take effect and be included in the Trust’s Amended and Restated Royalty Indenture, as each of Proposals Two through Seven are independent of each other. Southwest Bank’s willingness and ability to serve as successor trustee are not conditioned upon Unit Holder approval of these proposals.

EFFECT OF NEGATIVE VOTES ON PROPOSAL EIGHT

If the Unit Holders fail to approve the proposal to adjourn the Special Meeting, if necessary or appropriate, to permit the solicitation of additional proxies in favor of Proposals One through Seven, the Trust may be unable to hold the Special Meeting if a quorum is not reached. If a quorum has been reached, any of Proposals One through Seven that has not achieved the required vote would not be approved and would have the effects set forth above for such Proposal.

TRUSTEE/SOUTHWEST BANK APPROVAL OF PROPOSALS TWO THROUGH SEVEN

Southwest Bank has stated to the Trustee that, if it is appointed as successor trustee, it intends to consent in writing, as required by the Indenture, to the amendments made to the Indenture by each of Proposals Two through Seven that are approved by the Unit Holders. If Southwest Bank is not appointed, the Trustee intends to approve in writing, as required by the Indenture, the amendments made to the Indenture by each of Proposals Two through Seven that are approved by the Unit Holders.

NAME AND PURPOSE OF THE TRUST

2.01. Name. The Trust shall be known as the Permian Basin Royalty Trust, and the Trustee may transact the affairs of the Trust in that name.

2.02. Purposes. The purposes of the Trust are:

(a) to convert the Royalties to cash either (1) by retaining them and collecting the proceeds from production until production has ceased or the Royalties have otherwise terminated or (2) by selling or otherwise disposing of the Royalties (within the limits stated herein); and

(b) to distribute such cash, net of amounts for payment of liabilities of the Trust, to the Unit Holders pro rata.

It is the intention and agreement of the Company and the Trustee to create an express trust within the meaning of Section ~~2111.004(4)~~ of the Texas Trust ~~Act~~Code, for the benefit of the owners of Units, and a grantor trust for federal income tax purposes of which the owners of Units are the grantors. As set forth above and amplified herein, the Trust is intended to be limited to the receipt of revenues attributable to the Royalties and the distribution of such revenues, after payment of or provision for Trust expenses and liabilities, to the Unit Holders. It is neither the purpose nor the intention of the parties hereto to create, and nothing in this Trust Indenture shall be construed as creating, a partnership, joint venture, joint stock company or business association between or among Unit Holders, present or future, or among or between Unit Holders, or any of them, and the Trustee or the Company.

ARTICLE III

ADMINISTRATION OF THE TRUST

3.01. General. Subject to the limitations set forth in this Indenture, the Trustee is authorized to take such action as in its judgment is necessary or advisable best to achieve the purposes of the Trust, including the authority to agree to modifications or settlements of the terms of the Conveyances or to settle disputes with respect thereto, so long as such modifications or settlements do not alter the nature of the Royalties as rights to receive a share of the proceeds of oil and gas produced from the properties presently burdened by such Royalties which are free of any obligation for operating expenses and as rights which do not possess any operating rights or obligations. The Trustee may not dispose of all or any portion of the Royalties except as provided in Sections 3.02, 3.09 and 9.03.

The Trustee will cause the Trust to file any registration statement, report or other materials required by law (including the Securities Exchange Act of 1934 and the rules thereunder) or by any securities exchange on which the Units are at any time registered.

3.02. Limited Power to Dispose of Royalties.

(a) In the event the Trustee determines it to be in the best interest of the Unit Holders the Trustee may sell at any time and from time to time all or any part of any of the Royalties for cash in such a manner as it deems in the best interest of the Unit Holders if approved by the Unit Holders present or represented at a meeting held in accordance with the requirements of Article VIII but without such approval it may not sell or otherwise dispose of all or any part of the Royalties. This Section 3.02 shall not be construed to require approval of the Unit Holders for any sale or other disposition of all or any part of the Royalties pursuant to Sections 3.02(b), 3.09 or 9.03. The Trustee is authorized to retain any of the Royalties in the form in which such property was transferred to the Trustee without regard to any requirement to diversify investments or other requirements.

(b) Notwithstanding anything to the contrary contained in this Indenture, during any twelve-month period the Trustee may without a vote of the Unit Holders sell, assign, transfer and convey up to one percent (1%) of the value of the Royalties in any one or more transactions that the Trustee determines to be in the best interest of the Unit Holders. For purposes of this Section 3.02(b), the value of the Royalties to be sold and of all the Royalties shall be the discounted present value of the future net revenue attributable to the proved reserves attributable to such Royalties, as set forth in a reserve report as of December 31 of the year preceding the date of the definitive sale agreement for any sale (such report to be prepared by independent petroleum engineers selected by Trustee). The use of such values is solely for the purpose of determining compliance with this Section 3.02(b), and it is recognized that the proceeds of the sale may be greater or lesser than the value so determined.

3.03. No Power to Engage in Business or Make Investments. The Trustee shall not, in its capacity as Trustee under the Trust, engage in any business or commercial activity of any kind whatsoever and shall not, under any circumstances, use any portion of the Trust Estate to acquire any oil and gas lease, royalty or other

mineral interest other than the Royalties, or, except as permitted in Sections 3.04 and 3.15, acquire any other asset. The Trustee shall not accept contributions to the Trust other than the Royalties.

3.04. Interest on Cash on Hand. Cash being held by the Trustee as a reserve for liabilities or for distribution at the next Distribution Date shall be placed (in the Trustee's discretion) in:

(a) obligations issued by (or unconditionally guaranteed by) the United States or any agency or instrumentality thereof (provided such agency's or instrumentality's such obligations are secured by the full faith and credit of the United States); or

(b) repurchase agreements secured by obligations qualifying under subparagraph (a) above; ~~or~~

(c) certificates of deposit of any bank having a capital, surplus and undivided profits in excess of \$50,000,000; ~~or~~

(d) other interest bearing accounts in FDIC-insured state or national banks, including the Trustee, so long as the entire amount in such accounts is at all times fully insured by the Federal Deposit Insurance Corporation;

provided such repurchase agreements~~or~~, certificates ~~or~~ accounts shall bear interest at a rate which is the greater of (i) the interest rate which the Bank or its successor pays in the normal course of business on amounts placed with it, taking into account the amounts involved, the period held and other relevant factors, or (ii) the rate of interest paid on obligations qualifying under subparagraph (a) above. Any such obligations, repurchase agreements or certificates must mature on or before the next succeeding Distribution Date and must be held to maturity. To the extent not prohibited by Section ~~H~~113.057 of the Texas Trust ~~Act~~Code any such cash may be placed with Bank or any successor bank serving as Trustee.

3.05. Power to Settle Claims. The Trustee is authorized to prosecute or defend, or to settle by arbitration or otherwise, any claim of or against the Trustee, the Trust or the Trust Estate, to waive or release rights of any kind and to pay or satisfy any debt, tax or claim upon any evidence by it deemed sufficient.

3.06. Power to Contract for Services. In the administration of the Trust, the Trustee is empowered to employ oil and gas consultants, accountants, attorneys, transfer agents and other professional and expert persons and to employ or contract for clerical and other administrative assistance and to make payments of all fees for services or expenses in any manner thus incurred out of the Trust Estate.

3.07. Payment of Liabilities of Trust. The Trustee shall, to the extent that funds of the Trust are available therefor, make payment of all liabilities of the Trust, including, but without limiting the generality of the foregoing, all expenses, taxes, liabilities incurred of all kinds, compensation to it for its services hereunder, and compensation to such parties as may be consulted as provided for in Section 3.06 hereof.

3.08. Establishment of Reserves. With respect to any liability which is contingent or uncertain in amount or which otherwise is not currently due and payable, the Trustee in its sole discretion may, but is not obligated to, establish a cash reserve for the payment of such liability.

3.09. Limited Power to Borrow. If at any time the cash on hand and to be received by the Trustee is not, or will not, in the judgment of the Trustee, be sufficient to pay liabilities of the Trust as they become due, the Trustee is authorized to borrow the funds required to pay such liabilities. In such event, no further distributions will be made to Unit Holders until the indebtedness created by such borrowing has been paid in full. Such funds may be borrowed from any Person, including, without limitation, the Bank or any other fiduciary hereunder. To secure payment of such indebtedness, the Trustee is authorized to mortgage, pledge, grant security interests in or otherwise encumber (and to include as a part thereof any and all terms, powers, remedies, covenants and provisions deemed necessary or advisable in the Trustee's discretion, including, without limitation, the power of sale with or without judicial proceedings) the Trust Estate, or any portion thereof, including the Royalties, and to carve out and convey production payments.

3.10. Income and Principal. The Trustee shall not be required to keep separate accounts or records for income and principal or maintain any reserves for depletion of the Royalties. However, if the Trustee does keep such separate accounts or records, then the Trustee is authorized to treat all or any part of the yield from the Royalties as income or principal, and in general to determine all questions as between income and

principal and to credit or charge to income or principal or to apportion between them any receipt or gain and any charge, disbursement or loss as is deemed advisable under the circumstances of each case.

3.11. Term of Contracts. In exercising the rights and powers granted hereunder, the Trustee is authorized to make the term of any transaction or contract or other instrument extend beyond the term of the Trust.

3.12. Transactions between Related Parties. The Trustee shall not be prohibited in any way in exercising its powers from making contracts or having dealings with itself in any other capacity (fiduciary or otherwise) or with the Company.

3.13. No Bond Required. The Trustee shall not be required to furnish any bond or security of any kind.

3.14. Timing of Trust Income and Expenses. The Trustee will use all reasonable efforts to cause the Trust and the Unit Holders to recognize income (including any income from interest earned on reserves established pursuant to Section 3.08 hereof) and expenses on Monthly Record Dates. The Trustee will invoice the Trust for services rendered by the Trustee only on a Monthly Record Date and shall cause the Trust to pay any such invoices only on the Monthly Record Date on which an invoice is rendered and will use all reasonable efforts to cause all persons to whom the Trust becomes liable to invoice the Trust for such liability on a Monthly Record Date and to cause the Trust to pay any such liabilities on the Monthly Record Date on which such liability is invoiced. In connection with the requirements of any stock exchange on which the Units are listed, the Trustee will, if required by such stock exchange, use all reasonable efforts to determine the Monthly Distribution Amount and report such amount to the exchange at such time as may be required by such stock exchange. Nothing in this Section shall be construed as requiring the Trustee to cause payment to be made for Trust liabilities on any date other than on such date as in its sole discretion it shall deem to be in the best interest of the Unit Holders.

3.15. Divestiture of Units. If at any time the Trust or the Trustee is named a party in any judicial or administrative proceeding which seeks the cancellation or forfeiture of any property in which the Trust has an interest because of the nationality, or any other status, of any one or more Unit Holders, the following procedures will be applicable:

(a) The Trustee will promptly give written notice (“**Notice**”) to each holder (“**Ineligible Holder**”) whose nationality or other status is an issue in the proceeding as to the existence of such controversy. The Notice will contain a reasonable summary of such controversy and will constitute a demand to each Ineligible Holder that he dispose of his Units, to a party which would not be an Ineligible Holder, within 30 days after the date of the Notice.

(b) If any Ineligible Holder fails to dispose of his Units as required by the Notice, the Trustee will have the preemptive right to purchase, and will purchase, any such Units at any time during the 90 days after the expiration of the 30-day period specified in the Notice. The purchase price on a per Unit basis will be determined as of the last business day (“**determination day**”) preceding the end of the 30-day period specified in the Notice and will equal the following per Unit amount: (i) if the Units are then listed on a stock exchange, the price will equal the closing price of the Units on such exchange (or, if the Units are then listed on more than one exchange, on the largest such exchange in terms of the volume of Units traded thereon during the preceding twelve months) on the determination day if any Units were sold on such exchange on such day or, if not, on the last preceding day on which any Units were sold on such exchange or (ii) if the Units are not then listed on any stock exchange, the price will equal the mean between the closing bid and asked prices for the Units in the over-the-counter market on the determination day if quotations for such prices on such day are available or, if not, on the last preceding day for which such quotations are available. Such purchase will be accomplished by tender of the above cash price to the Ineligible Holder at his address as shown on the records of the Trustee, either in person or by mail as provided in Section 11.06, accompanied by notice of cancellation. Concurrently with such tender the Trustee shall cancel or cause to be cancelled all Certificates representing units then owned by such Ineligible Holder and for which tender has been made, and the Trustee shall issue or cause to be issued to itself a Certificate or Certificates representing the same number of Units as were so cancelled. In the event the tender is refused by the Ineligible Holder or if he cannot be located after reasonable

efforts to do so, the tendered sum shall be held by the Trustee in an interest bearing account for the benefit of such Ineligible Holder, until proper claim for same (together with interest accrued thereon) has been made by such Holder, but subject to applicable laws concerning unclaimed property.

(c) The Trustee may, in its sole discretion, cancel any Units acquired in accordance with the foregoing procedures or may sell such Units, either publicly or privately, in accordance with all applicable laws. The proceeds of any such sale of Units, less the expenses of such sale, will constitute revenues of the Trust.

(d) The Trustee may, in its sole discretion, borrow any amounts required to purchase Units in accordance with the procedures described above.

3.16. Miscellaneous. Except as otherwise provided in this Indenture, this Indenture and the Trust shall be governed, construed, administered and controlled by and under the laws of the State of Texas, and the rights, powers, duties and liabilities of the Trustee shall be in accordance with and governed by the terms and provisions of the Texas Trust ~~Act~~Code and other applicable laws of the State of Texas in effect at any applicable time.

The Trustee will treat all income and deductions of the Trust for each month as having been realized on the Monthly Record Date for such month unless otherwise advised by its counsel or the Internal Revenue Service. If prior to the due date for filing a corporate federal income tax return for 1980 there has not been received from the Internal Revenue Service a ruling confirming that the Trust will not, for purpose of such tax, be treated as an association taxable as a corporation, the Trustee will, upon advice of tax counsel, (i) file a corporate tax return and pay the tax shown thereby on income earned during 1980 and (ii) forthwith institute, and diligently prosecute to the court of last resort, a claim for refund of such tax.
